The program will include shuttle van and personal vehicle transportation to other properties for riding on trails, dirt/gravel roads, pump track, etc. The experienced staff are committed to promoting the enjoyment and preserving the health and safety of all riders by emphasizing proper riding techniques, controlled riding, adult supervision, and not forcing anyone. A suitable bike, all personal safety equipment and previous rider experience are required. A river or lake swim may be offered as an optional activity depending upon weather and parent permission.

I acknowledge that participation in the activity described above involves risk to the participant (and to the participant's parents or guardians, if the participant is a minor), and may result in various types of injury including, but not limited to, the following: sickness, exposure to infectious/communicable disease, bodily injury, death, emotional injury, personal injury, property damage, and financial damage.

In consideration for the opportunity to participate in the activity described above (the "activity"), the participant (or parent/guardian if the participant is a minor) acknowledges and accepts the risks of injury associated with participation in and transportation to and from the activity. The participant (or parent/guardian) accepts personal financial responsibility for any injury or other loss sustained during the activity or during transportation to and from the activity, as well as for any medical treatment rendered to the participant that is authorized by the sponsor or its agents, employees, volunteers, or any other representatives (collectively referred to as the "activity sponsor"). Further, the participant (or parent/guardian) releases and promises to indemnify, defend, and hold harmless the activity sponsor for any injury arising directly or indirectly out of the described activity or transportation to and from the activity, whether such injury arises out of the negligence of the activity sponsor, the participant, or otherwise.

If a dispute over this agreement or any claim for damages arises, the participant (or parent/guardian) agrees to resolve the matter through a mutually acceptable alternative dispute resolution process. If the participant (or parent/guardian) and the activity sponsor cannot agree upon such a process, the dispute will be submitted to a three-member arbitration panel for resolution in accordance with the rules of the American Arbitration Association.

I understand, consent to, and authorize in advance, the use of my name, voice, picture or other likeness in combination or alone, in any broadcast, telecast, print medium, advertising, promotion or other account of Camp Highline / InFaith.

I agree to assume any costs of mechanical repairs/part that may be necessary for my child, or me, to resume participation in camp activities, and do grant camp staff permission to secure such repairs that camper deems necessary. Effort will be made to contact parent prior to incurring any expense.

I represent that my minor child, or I, are in sufficiently good physical condition to participate in the programs and activities of Camp Highline without jeopardizing our health. I understand that I have given up substantial rights by signing this waiver and release, and sign it voluntarily.
